DPS/DCI INTERNAL ONLY

3 November 1958

MEMORANDUM FOR: Director of Operations, DPS/DCI

25X1 SUBJECT : [] 355
25X1 REFERENCE : [] (OUT 85935) dated 30 October 1958

25X1 1. I note the referenced message based on our conversation in
25X1 which you state that [] 355 will probably be stripped when returned
from []

25X1 2. I have the impression from previous messages from []
25X1 [] that he regards 355 as one of the best performers available to
[] This would seem to indicate to me that they are not paying
a heavy performance penalty.

25X1 3. If my understanding as stated in paragraph 2. is correct,
and if the aircraft has some time to remain in service before IRAN, would
it not be feasible to put camouflage paint over the [] covering?
The purpose would be to make [] 355 available for operational
missions if necessary.
